

West Bengal assembly to discuss extension of BSF's jurisdiction on Nov 17

KOLKATA, NOV 12/--/The West Bengal assembly will on November 17 discuss the extension of BSF's jurisdiction from the international border, TMC chief whip Nirmal Ghosh said on Friday.

Speaking to reporters at the assembly, Ghosh said the decision was taken at a meeting of the Business Advisory Committee.

Chief Minister Mamata Banerjee had earlier criticised the Centre's move to extend the jurisdiction of the Border Security Force (BSF), alleging that it was an attempt to interfere with the federal structure of the

country. The BJP-led central government had amended the BSF Act to authorise the force to undertake search, seizure and arrest within a larger 50 km stretch, instead of 15 km, from the international border in Punjab, West Bengal and Assam.

The state assembly on Friday passed a resolution, carving out Bally Municipality from the Howrah Municipal Corporation area to help people get better civic amenities.

Municipal Affairs Minister Chandrima Bhattacharya tabled the

proposal as the House proceedings began and TMC's Bally MLA Rana Chatterjee and Kandi MLA Apurba Sarkar spoke in favour of the resolution.

Bhattacharya said the decision was taken in the interest of the people, so that they do not travel all the way to Howrah for getting their work done.

Sixteen wards of Bally Municipality were merged with 50 wards of Howrah Municipal Corporation in 2015. Following the bifurcation, now the number of wards is likely to be rearranged.

The Howrah Municipal

Corporation (Amendment) Bill will be tabled in the assembly on November 16, Ghosh said. The state cabinet approved the bifurcation in January.

"We want to give better amenities to every citizen, hence this decision was taken. If anyone opposes it, they are doing it for political reasons," Bhattacharya later told reporters, replying to a question on BJP's opposition to the move.

M e a n w h i l e , Harischandrapur MLA Tajmul Hussain raised the issue of a skulk of foxes attacking a village in his constituency in the Malda

district, injuring around 40 people.

As Forest Minister Jyotipriyo Mallick was not present in the House, he urged Speaker Biman Bandyopadhyay to draw the minister's attention.

Kandi MLA Apurba Sarkar flagged the issue of delay in the construction of Ranagram bridge in Murshidabad district, stating that it is causing immense hardship to the people.

No BJP MLA was present in the House on Friday. The assembly was adjourned till November 15. (PTI)

No further hearing on PAC appointment in my office, will wait for SC directive: WB speaker

KOLKATA, NOV 12/--/West Bengal Assembly Speaker Biman Bandyopadhyay on Friday said there will be no further hearing on the issue of Mukul Roy's appointment as the chairman of Public Accounts Committee (PAC) owing to the fact that the matter is pending before the Supreme Court.

Leader of Opposition Suwendu Adhikari and BJP MLA Ambika Roy had met the speaker at his chamber during the day to find out about the status of the case.

Bandyopadhyay, following the meeting, told reporters that he was waiting for a Supreme Court directive.

"I have moved the Supreme Court and will wait for its directive. There will be no more hearing in the speaker's office on the Mukul Roy case as the issue is pending before the apex court," he stated.

Roy, who left the BJP and rejoined the Trinamool Congress (TMC) on June 11, was appointed the PAC chairman by

Bandopadhyay on July 9.

Shortly after, Leader of the opposition in the Assembly, Suwendu Adhikari, submitted a petition before the speaker, stating that Roy, who won the election from Kishnanagar Uttar constituency, should be disqualified under the anti-defection law as he did not resign from the BJP before switching sides.

In August, BJP MLA Ambika Roy had filed a petition in the high court, praying that the appointment of Mukul Roy as chairman of the PAC in the Assembly violates a five-decade-old convention under which an opposition party legislator is given the post.

A division bench of the high court had directed the speaker to decide on the disqualification by October 7. However, in the first week of October, Advocate General S N Mookerjee informed the bench that the speaker has moved the Supreme Court in the matter. (PTI)

Odisha experiences moderate rainfall, another depression likely

BHUBANESWAR, NOV 12/--/Odisha received light to moderate rainfall on Friday under the influence of a low-pressure area (Lopar) over Tamil Nadu, the Met office said, further warning of heavy showers till Sunday morning.

Another depression is likely to form over the Bay of Bengal next week as a cyclonic circulation that lies over the Gulf of Thailand may result in the formation of a fresh Lopar over the south Andaman Sea by Friday, the Bhubaneswar Meteorological Centre said.

It is likely to move northwestwards and concentrate into a depression over east-central and southeast Bay of Bengal on Monday, the weather office said. A trough runs from the cyclonic circulation associated with a Lopar over north Tamil Nadu to north-coastal Odisha, the Met department said. There was heavy rainfall at a few places in Ganjam district. (PTI)

Deucha Panchami and lessons of Singur

AMAL SARKAR

Deucha Panchami reminded us Singur. No, this coal mine area of Birbhum did not bring any bad news like Singur. On the contrary, Mamata Banerjee's government wanted to proceed in Deucha Panchami to develop this backward area into a coalmine industrial zone keeping in mind, the lessons of Singur.

The state cabinet in its last meeting gave green signal to the rehabilitation package prepared by the expert committee after a primary consultation with 11 stakeholders. The compensation package has covered most of the components of livelihood, including a govt job for one member of each of the affected families and house in a planned township to be built for this purpose.

An industrial zone will be set up on 3,400 acres of land there, more than three times the land was acquired for Nano car factory of Tatas at Singur. But the difference is that Buddhadeb Bhattacharjee's government wanted to acquire land overnight for the car project. There was no announcement of paying more than the amount due on government rate for the price of land. Much later the bunch was promised in the face of immense pressure from all quarters.

Notice for the land acquisition has not

been issued in Deucha Panchami yet. On the other hand the state government announced a compensation package. With this announcement, it can be said that Mamata Banerjee did justice to the main demand raised by herself during the Singur movement. Any claim is a promise of the future. Ms. Banerjee demanded in the Singur episode that land cannot be taken by force. Land must be taken on the basis of agreement. The initial reflection of that demand and promise was seen in the case of Deucha Panchami. Hopefully, the government and the Trinamool Congress leadership will stick to this path. Repetition of Singur will not happen in Deucha Panchami.

Mining, like the car factory, is also a multifaceted employment project. It is not possible to determine how many people can get a job. So it is important to proceed with caution so that people do not reject the project. There is no doubt that Buddhadeb Bhattacharjee wanted economic development of Bengal. But he himself has been in a bit of a hurry under the pressure of the Tatas. And his party wanted to take land by enforcing muscle power. The state has suffered the consequences. Hopefully the Trinamool Congress will not follow the former ruler. The administration has taken positive steps so far. Now we have to see that Singur is not repeated in Deucha Panchami.

Two Bangladeshis killed during cattle smuggling bid along border: BSF

NEW DELHI, NOV 12/--/Two Bangladeshis were killed on Friday when the BSF opened fire along the International Border in West Bengal's Coochbehar to thwart a cattle smuggling bid, a force spokesperson said.

A jawan of the border force was also injured and has been evacuated to a nearby hospital.

The spokesperson said the incident took place around 3 am when "miscreants from Bangladesh side ventured into the Indian territory and tried to smuggle cattle heads by establishing improvised bamboo cantilever."

The Border Security Force (BSF) troops ahead of the India-Bangladesh border fence asked them to go back but they did not pay heed, he said.

"BSF troops utilised non-lethal munition to deter the miscreants, but they attacked on the troops with iron dah and sticks. Sensing imminent threat to the life, BSF party fired in air towards miscreants," the spokesperson said.

"Later on during search, bodies of two unknown miscreants were found between the border fence and international boundary," the spokesperson said. (PTI)
