ICC set to award same points for each match won during WTC 2

NEW DELHI, JUNE 30 /--/ The International Cricket Council (ICC) will award standardised 12 points for every match won during the World Championships cycle which kicks off with the five-match series between India and England in August. Teams will get six points in case of a tie and four points if the match ends in a draw. That there would be changes to the points system was first declared by ICC interim CEO Geoff Allardice during a media interaction earlier this month.

"Instead of each series being worth the same number of points, 120, irrespective of whether the series is played over two Tests or five Tests, the next cycle will see each match being worth the same number of points - a maximum of 12 per match," an ICC board member told

"Teams will be ranked on the percentage of available points they won from the matches they have played." The changes in the points system will have to be ratified by the ICC chief executives committee in the coming weeks.

"The aim was to try and simplify the points system and to allow teams to be meaningfully compared on the table at any point, though they may have played differing numbers of matches and series," the Board member added. Apart from the India-England series, the Ashes later this

year will be the only other five-match affair in the second cycle which will end in June 2023. Australia's tour of India next year is the only four-Test series in the upcoming cycle. The nine Test teams will play a total of six series: three home and three away just like the previous edition. In the inaugural edition, which New Zealand won after defeating India in the final earlier this month, the ICC changed qualification criteria for the World Test Championship from maximum points earned to percentage points earned from the matches contested after many scheduled series were cancelled due to COVID-19. During the last cycle, the value for each series was 120 points where a two-match India-Bangladesh series had 60 points for a win while a four-match India-Australia Test series had 30 points in

store per victory. England will play the most Tests (21) in WTC-2 followed by India (19), Australia (18) and South Africa (15). The inaugural WTC winners New Zealand will play only 13 matches, similar to that of West Indies and Sri Lanka, but one less Pakistan (14),' 'ESPNcricinfo'reported.(PTI)

England beat Germany to enter quarterfinals LONDON, JUNE 30 /--/ England is unburdened by the weight of agonizing history: Germany has finally been beaten in a tournament No need to endure more penalty heartache or disallowed goals this

time. Just like in the 1966 World Cup final, England triumphed over a German team at Wembley Stadium on Tuesday, winning 2-0 to reach the Championship European quarterfinals. And just like in England's two group wins, Raheem Sterling was on the scoresheet, breaking the tense deadlock in the 75th minute in a move he started and completed. The round of 16 finally saw England net more than once at Euro 2020, and for Harry Kane to shed the pressure on his shoulders by finally scoring. The striker headed in Jack Grealish's cross in the 86th minute.

"With all the expectation and pressure," Kane said. delivered." It was England's secondever win in the knockout stage of the European Championship. The last such triumph came on penalties against Spain at Euro '96 before the host was denied a place in the final by Germany in a shootout at Wembley. It was on penalties that Germany also beat England in the

EURO 2020: Sterling, Kane goals help

Raheem Sterling celebrates England's opening goal

1990 World Cup semifinals. Then there was the English goal wrongfully disallowed as Germany knocked the English out of the 2010 World Cup.

Now England will play either Sweden or Ukraine in the Euro 2020 quarterfinals on Saturday in Rome, eying a return to Wembley for the semifinals and the final on July 11. There will still be questions about England coach Gareth Southgate's team selection and persistence with Kane when he managed only one touch in the opposition penalty area in the first half. And it was a bad one, taking a ball too far past Manuel Neuer while trying to go around the goalkeeper. But while Sterling's goals are spearheading England's progress at this largelyhome tournament, the saves of Jordan Pickford are proving vital, too, including using one hand to push over Kai Havertz's shot at the start of the second half.

the ball," England defender Harry Maguire said. "It was really important." The clamour to introduce Grealish was growing in the second half. It's what got fans chanting inside Wembley, with a crowd of about 40,000, the biggest in Britain since the pandemic began in March 2020. The winger finally entered with about 20 minutes to go and played a role in the opening goal. Sterling first took on the defenders, going past Antonio Rudiger before passing to Kane, whose layoff to Grealish then went to Luke Shaw. And it was the left-back's cross that Sterling connected with, shooting past Neuer with his right boot. For all the experience in Germany's side compared to the youth of England, it was World Cup winner Thomas Muller who squandered a chance to equalize in the 81st minute. Clean through with only Pickford to beat, Muller put the ball wide to leave him still without a goal at his three Championships. European England has yet to concede in its four games at Euro 2020.

'Īt's a moment none of us will ever forget," said Kane, who scored his 35th international goal. "The perfect afternoon." (AP)
