## Wholesale inflation stays in negative for fourth month at (-) 1.36 pc in July

NEW DELHI, AUG 14 /--/ The wholesale price based inflation remained in the negative territory for the fourth straight month in July at (-)1.36 per cent on easing prices of fuel, even though food articles turned costlier. The wholesale price index (WPI) based inflation rate has been in the negative since April and was (-)4.12 per cent in June. In July last year it was 14.07 per cent. Inflation in food articles skyrocketed 14.25 per cent in July against 1.32 per cent in June. "Decline in the rate of inflation in July, 2023 is primarily contributed by fall in prices of mineral oils, basic metals, chemical & chemical products, textiles and food products," the commerce and industry ministry said on Monday. Fuel and power basket inflation eased to (-)12.79 per cent in July from (-)12.63 per cent in June. In manufactured products, the inflation rate was (-)2.51 per cent as against (-)2.71 per cent in June. The RBI last week kept interest rates unchanged at 6.5 per cent for the third straight meeting but signalled tighter policy if food prices drive inflation higher. "The job on inflation is still not done," RBI Governor Shaktikanta Das had said, "Inflationary risks persist amidst volatile international food and energy prices, lingering geopolitical tensions and weather-related uncertainties." The RBI raised its inflation forecast for the current financial year ending March 2024 to 5.4 per cent from 5.1 per cent earlier, citing pressures from food prices.

The central bank takes into account retail or consumer price index based inflation for formulating monetary policy. Retail inflation data for July is scheduled to be re leased later in the day. (PTI)

# Adani group stocks fall; Adani Ent tanks over 5 pc

NEW DELHI, AUG 14 /--/ Shares of Adani group stocks fell on Monday after Deloitte resigned as auditor of the Adani group's port company. Deloitte has resigned as auditor of the Adani group's port company, with the firm run by billionaire Gautam Adani saying the auditor wanted a wider remit over other firms in the conglomerate following the report of a US short seller. Shares of Adani Enterprises tanked 5.41 per cent, Adani Transmission fell by 4.77 per cent, Adani Power declined by 4.23 per cent, Ambuja Cements dived 4 per cent and Adani Ports skidded 3.70 per cent on the BSE.

The stock of Adani Green Energy declined by 3.22 per cent, Adani Wilmar (3.14 per cent), Adani Total Gas (3 per cent), NDTV (3 per cent) and ACC (2.23 per cent). In the equity market, the 30-share BSE Sensex quoted 335.61 points down at 64,987.04. The resignation came weeks after Deloitte raised concern over certain transactions flagged in the report of Hindenburg Research.

In a statement, Adani Ports & Special Economic Zone (APSEZ) confirmed the resignation and appointment of MSKA & Associates as the new auditor. Deloitte has been the auditor of APSEZ since 2017. In July 2022, it was given another five-year term. "In Deloitte's recent meeting with APSEZ management and its Audit Committee, Deloitte indicated a lack of a wider audit role as auditors of other listed Adani portfolio companies. The audit committee was of the view that the grounds ad vanced by Deloitte for resignation as statutory auditor were not convincing or sufficient to warrant such a move," it said. APSEZ conveyed that it was not within the remit of the firm and its board to recommend group-wide appointments as other listed Adani portfolio companies are completely independent, with separate boards, executive teams and minority shareholders. "Following this, Deloitte was not willing to continue as APSEZ's statutory auditor and, therefore, it was agreed to amicably end the client-auditor contractual relationship be tween APSEZ and Deloitte," it said. NEW DELHI, AUG 14 /--/ Last weekend (August 11 to 12) multiplexes and cinema halls witnessed a record number of admissions driven by movies such as 'Gadar 2', 'Jailer', 'OMG 2' and 'Bhola Shankar', boosting their combined gross box office collection to over Rs 390 crore. This weekend set a "new all-time theatrical gross box office record" in its 100 years of history, said a joint statement from the Multiplex Association of India (MAI) and Producers Guild of India (PGI). "The weekend drew over 2.10 crore moviegoers to theatres across the county, which is the highest combined admissions record in the last 10 years of history," it said. The weekend of August 11 to 13 was the busiest single weekend post reopening of the cinema industry after the Covid pandemic. "The turnout at theatres has infused a new energy in our industry, audiences are responding in numbers. We have not seen for a very long time, even the early morning shows are getting sold out," said PGI President Shibasish Sarkar. He further said: "This weekend has been a wonderful experience for people who love the mainstream cinemas.'

MAI President Kamal Gianchandani said this was a "historic weekend" for the cinema exhibition industry and it proves once again that India loves to go to movie halls to watch good movies. "This weekend is also an undeniable demonstration of cinemas being the ultimate place to be part of shared experience," he said. Gianchandani further added he expects this momentum to continue for the rest of 2023. MAI represents more than 11 cinema chains, operating over 500 multiplexes and 2,500 screens in
