Closing Balance in retained earnings	(10983.90)	(4510.67)

DIVIDEND

In view of loss after tax, no dividend is recommended for the year ended 31st March, 2020.

ECONOMIC SCENARIO

During FY 2019-20 outlook for NBFC sector was not good as the sector was already facing liquidity crisis created by some of the big corporate players. Besides these, current COVID-19 crisis is also a threat to the business of the NBFC sector.

A second wave of squeeze in liquidity will impact GDP and there will be credit crunch and slowdown. It is expected that GDP growth will slow to 2 per cent during financial year 2020-21 from estimates of 4.4 per cent in 2019-20. India rating and research already predicted its outlook for 2019-20 for the NBFC sector from stable to negative and also cut its growth forecast for NBFCs for 2019-20 to 10 to 12 per cent from the earlier estimate of 15 per cent due to funding challenges and slowdown in economic activity, which is evident from the fall in auto sales, slowdown in rural infra activity and small and medium enterprises (SME) challenges. As businesses are affected by lockdown and slowdown in economic activity, NBFCs are expected to adopt a cautious approach towards fresh business and focus on shoring up liquidity.

India Ratings and Research expects the overall profitability to moderate across the industry, as the rise in funding cost and falling lending opportunities would lead to increased margin pressure. The ability to partially pass on the increase in funding cost to retail borrowers also remains constrained due to subdued demand.

PERFORMANCE REVIEW

The Operating Income of the Company is derived from a mix of dividend and securities trading. The inventory or investments as on 31st March, 2020, comprised of mostly Quoted scripts and few unquoted scripts and mutual funds.

The Company's total income for the year is **Rs. 8841.21 lakhs** in comparison to **Rs. 15930.14 Lakhs** in the previous year. The Loss for the Year is **Rs. (6473.23) lakhs** in comparison to loss of **Rs. (4855.40) Lakhs** during the previous year. Your Directors are confident of improving the performance in the present period.

IMPACT OF COVID-19 ON COMPANY'S PERFORMANCE

Commencing from the second half of March 2020, COVID-19 pandemic had an impact on the Indian and International business environment, forcing governments to enforce lock-downs of all economic activity. For the Company, the focus immediately shifted to ensuring the health and well-being of all employees, and on minimizing disruption to services for all our customers.

SHARE CAPITAL

During the year under review, the Company there was no change in authorized and paid up capital of the Company.

DIRECTORS AND KEY MANAGERIAL PERSONNEL

The Board of Directors consists of 6 members of which 3 are independent Directors. The Board also comprises 1 woman Director

With utmost grief we would like to inform you that Mr. Mohan Kishen Ogra (holding DIN : 01081215), an Independent Director of the Company died on 19th July, 2020. We appreciate invaluable contribution made by him as an Independent Director of the Company during his tenure and association with the Company.

During the year under review, Mr. B.C.Talukdar (holding DIN : 00024015), an independent Director of the Company has resigned with effect from 14.09.2019 from the post of director of the Company on health ground.

The Company has received declaration from him specifying his eligibility to be re-appointed as such.

Further, the term of appointment of Mr. Sunil Ishwarlal Patwari (holding DIN-00024007) as Managing Director of the Company ended on 31st May, 2020. The Board of Directors of the Company at the meeting held on 31st July, 2020, has re-appointed Mr. Sunil Ishwarlal Patwari (holding DIN 00024007) as Managing Director of the Company for further period of 5 years with effect from 1st June, 2020 based on the recommendation of Nomination and Remuneration Committee, subject to approval of the members of the Company at the ensuing Annual General Meeting. Mr. Sunil Ishwarlal Patwari expressed his willingness to be re-appointed as Managing Director.

Furthermore, the term of appointment of Ms. Surabhi Sangneria (holding DIN: 06987772) will end on 27th September, 2020 and based on the recommendation of Nomination and Remuneration Committee at its meeting held on 31.07.2020, recommended appointment for further period of 5 years with effect from 28th September, 2020 to 27th September, 2025 subject, to approval of the members of the Company at the ensuing Annual General Meeting. The Director has expressed her willingness to be re-appointed as an Independent Director.

Mr. Manish Kumar Bansal (holding DIN : 01227489), was appointed by the Board as an Additional Director in the capacity of Non-Executive Non Independent Director with effect from 01.04.2020 in the Board meeting held on 24th August, 2020. His term of office expires at this ensuing Annual General Meeting.

Mr. Amitava Mazumdar (holding DIN : 06441635), was appointed by the Board as an Additional Director in the capacity of Independent Director with effect from 01.04.2020 in the Board meeting held on 24th August, 2020. His term of office expires at this ensuing Annual General Meeting. The Board has received the consent from Mr. Amitava Mazumdar to act as an independent Director of the Company for a period of 5 years.

Mr. Santosh Harakhchand Somani (holding DIN : 02894841), was appointed by the Board as an Additional Director in the capacity of Independent Director with effect from 01.04.2020 in the Board meeting held on 24th August, 2020. His term of office expires at this ensuing Annual General Meeting. The Board has received the consent from Mr. Santosh Harakhchand Somani to act as an independent Director of the Company for a period of 5 years.

The brief resume of the Directors seeking re-appointment in the ensuing Annual General Meeting in pursuance of relevant provisions of the Companies Act, 2013 and Regulation 36(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, have been given in the notice and its addendum convening the aforesaid Annual General Meeting.

COMPANY'S POLICY ON DIRECTORS' APPOINTMENT AND PAYMENT OF REMUNERATION

The Company's Policy on Directors appointment and remuneration including criteria for determining qualifications, positive attributes, attributes of independence of Directors and other related matters provided under Section 178(3) of the Companies Act, 2013 are covered in **Clause 2** of the Corporate Governance Report which forms part of this report. Further, information about element of remuneration of Individual Director is provided in the extract of the Annual Return as provided under Section 92(3) of the Companies Act, 2013, and is enclosed as **Annexure "F"**, in the prescribed Form MGT-9 and forms part of this report. It is also available on the website of the Company.

DECLARATION BY INDEPENDENT DIRECTORS

The Independent Directors fulfill the criteria of independence specified in Section 149 (6) of the Companies Act, 2013 and Rules made there-under and also meet requirement of Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The Independent Directors of the Company have filed their respective declaration with the Company, at the beginning of the Financial Year 2020-21, affirming that they continue to meet the criteria of Independence as provided in Section 149(7) of the Companies Act, 2013 in respect of their position as "Independent Director of the Company".

Further, declaration on compliance with Rule 6(3) of the Companies (Appointment and Qualification of Directors) Rules, 2014, as amended by Ministry of Corporate Affairs ("MCA") Notification dated October 22, 2019, regarding the requirement relating to enrollment in the Data Bank created by MCA for Independent Directors and has been received from all the Independent Directors.

The Board took on record the declaration and confirmation submitted by the independent directors regarding their meeting the prescribed criteria of independence, after undertaking due assessment of the veracity of the same as required under Regulation 25 of SEBI Listing Regulations, 2015.

MANAGEMENT DISCUSSION AND ANALYSIS

As per Regulation 34 (2) (e) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 the Management Discussion and Analysis is annexed hereto and marked as **Annexure "A"**.

CORPORATE GOVERNANCE

As per Regulation 34(3) read with Schedule V to the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, a separate report on Corporate Governance, is annexed as a part of this Annual Report and marked as **Annexure "B"**. Requisite Certificate from the Practising Company Secretaries, M/s. Vivek Mishra & Co. (CP No.17218), regarding compliance of Corporate Governance as stipulated under Regulation 34 (3) (E) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, is annexed to the report of Corporate Governance.

All Board Members and Senior Management Personnel have affirmed compliance with the Code of Conduct for the year 2019-20. A declaration to this effect signed by the Managing Director & CEO of the Company is contained in this Annual Report.

The Managing Director & CEO and CFO have certified to the Board with regard to the financial statements and other matters as required under regulation 17(8) of SEBI Listing Regulations, 2015.

MEETINGS OF THE BOARD OF DIRECTORS

Four Board meetings were held during the year 2019-20. The Company has held at least one Board meeting in every quarter and the maximum time gap between any two meetings was not more than one hundred and twenty days, thereby complying with applicable statutory requirements. Further, the detail of the meeting of the Board of Directors held during the year is stated in Corporate Governance report which forms part of this Report.

BOARD EVALUATION

Evaluation of performance of all Directors is undertaken annually. The Company has implemented a system of evaluating performance of the Board of Directors and of its Committees and individual Directors on the basis of a structured questionnaire which comprises evaluation criteria taking into consideration various performance related aspects.

The Board of Directors has expressed its satisfaction with the evaluation process.

One separate meeting of Independent Directors was held during the year 2019-20, which reviewed the performance of the Non – Independent Directors and the Chairman of the Board. It also reviewed the performance of the Board as a whole and to assess the quality, quantity and timeliness of flow of information between the Company management and the Board and its members that is necessary for the board to effectively and reasonably perform their duties.

DIRECTORS' RESPONSIBILITY STATEMENT

Pursuant to the requirement of Section 134 (3)(c) of the Companies Act, 2013 and based on the representations received from the management, your Directors state that:

- (a) In the preparation of the annual Financial Statements for the year ended March 31, 2020, the applicable Accounting Standards have been followed with no material departures;
- (b) the Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at March 31, 2020 and of the loss of the Company for the year ended on that date;
- (c) the Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- (d) the Directors have prepared the annual Financial Statements on a going concern basis;
- (e) the Directors have laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and operating effectively; and
- (f) the Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

(g)

ANNEXURE – “A” TO DIRECTORS’ REPORT

Management Discussion and Analysis

1. Economic Outlook

The global economy continues to expand, but during the last quarter of Financial Year 2019-20 growth has disappointed in some economies due to corona virus disease (COVID-19) pandemic. The economic impact of the corona virus pandemic in India has been largely disruptive. India's growth in the fourth quarter of the fiscal year 2020 went down to 3.1% according to the Ministry of Statistics. The Chief Economic Adviser to the Government of India said that this drop is mainly due to the corona virus pandemic effect on the Indian economy. Notably India had also been witnessing a pre-pandemic slowdown, and according to the World Bank, the current pandemic has "magnified pre-existing risks to India's economic outlook".

Similar to the global outlook, the Indian economy was projected to grow at a stronger pace in FY 2020-21 than the previous year, supported by monetary and fiscal stimulus and lower oil prices. However, the unprecedented COVID-19 pandemic, and the subsequent nationwide lockdown by the Government, along with other necessary measures to contain the pandemic, have made experts revise their forecasts significantly, with possible contraction of the Indian GDP in Q1 FY 2020-21. In the short term, the lockdown could also potentially lead to financial distress, both for consumers and companies, including disruptions in money supply and general liquidity.

The Government has taken a series of measures to generate demand and ease the liquidity by ensuring public sector banks lend further to NBFCs, introducing partial credit guarantee scheme, organizing loan mela etc. Outlook for 2020-21 right now is cautious from an industry point of view, the slowdown that has begun can't be turned around that easily for which a booster shot is required.

2. Industry Structure and Developments

Due to COVID-19 crises developed in the last quarter of FY 2019-20 there has been huge changes in the economic Scenario of the Country. Small and medium-sized NBFCs are most at risk due to the disruption caused by the Covid-19 outbreak. Non-banking financial companies (NBFCs) form an integral part of the Indian financial system. They play an important role in nation building and meeting funds needs of segment of society, especially to the micro, small and medium enterprises (MSMEs) which mostly remain unserved by formal modes of Institutional funding.

Your Company operates in only one segment that is investment Segment and. its main business is acquisition of shares, stock, bonds, etc. Investment related NBFC are also affected by COVID-19 pandemic.

3. Opportunities

The success of any organization depends on its ability to identify strengths and opportunism and leverage them while mitigating the risk that arise while conducting the business. Your Company has taken all these factors into account in drawing up its plan for the future without losing its sight for its core market segments.

The NBFC sector has been providing credit to customers in the underserved and unbanked areas. NBFC is integral to the Indian Financial system, augmenting competition and diversification in the financial sector and complementing the banking system. Channelings the savings in capital formation, necessary for India's economic growth and development. There is vast opportunities for NBFC sector to grow.

However, your Company operates in only the investment Segment and. its main business is acquisition of shares, stock, bonds, etc. Although Investment Segment is also effected by COVID-19 pandemic as developed in the last quarter of Financial year 2019-20, we hope that there will be opportunities for growth till the situations caused by COVID-19 is stabilized.

4. Threat

The key threats for our businesses include volatility of stock market, Liquidity crises created by some of the big corporate players in NBFC sector like IL& FS and DHFL and currency volatility. Besides these, current COVID-19 crisis is also a threats to the business to the NBFC sector.

Although, COVID-19 pandemic has resulted in short-term disruptions in the industry in almost all sectors, we hope, long-term drivers, remain good and expect continued expansion of the business activity.

5. Risk & Concern

Risks and concerns are inherent in any business. NBFCs have been already facing liquidity crisis following the bankruptcy of IL&FS and DHFL & Reliance capital during the year 2018-19. The continuing liquidity crunch faced by non-banking financial companies is likely to result in increasing bad loans risks for banks both from these shadow banks as well as from companies relying on such lenders for funding.

The spillover of stress among NBFCs to borrowers, and ultimately to banks, will hinder improvements in banks' asset quality, profitability and capital, which is credit negative.

However, your Company does not have direct impact of these defaults in NBFC sector as it operates in only Investment segment. But indirectly it is effected by down turn negative segment in stock market. The other risks that is related to our Company are RBI policies, industry performance and the general economic outlook of the country.

6. Internal Control System

The Company has well defined and adequate internal control system to safeguard all assets and ensure operational excellence. These systems are being regularly reviewed and wherever necessary are modified or redesigned to ensure better efficiency and effectiveness. The systems are subjected to supervision by the Board of Directors and the Audit Committee, duly supported by Corporate Governance. Company complies with all applicable statutes, policies, procedures, listing requirements and management guidelines.

7. Human Resource / Industrial Relations

Human resource is considered as key to the future growth strategy of the Company and looks upon to focus its efforts to further align human resource policies and processes to meet its business needs. The Company aims to develop the potential of every individual associated with the Company as a part of its business goal. Respecting the experienced and mentoring the young talent has been the bedrock for the Company's growth. Human resources are the principal drivers of change. They push the levers that take futuristic businesses to the next level of excellence and achievement.

8. Cautionary Statement:

The report may contain "forward looking statement" that describes our objectives, plan or goals. All these forward looking statements are subject to certain risks and uncertainties including but not limited to Government action, economic development, global and domestic demand-supply conditions, finished goods prices, raw materials etc that could cause the actual results to differ materially from those contemplated by the relevant forward looking statements

The Company assumes no responsibility in respect of the forward looking statements herein which may undergo changes in future on the basis of subsequent developments, information or events.

ANNEXURE “B” TO DIRECTORS’ REPORT

CERTIFICATE ON CORPORATE GOVERNANCE

TO THE MEMBERS NAGREEKA CAPITAL & INFRASTRUCTURE LIMITED

I have examined the compliance of conditions of corporate governance by **Nagreeka Capital & Infrastructure Limited**, for the year ended on 31st March, 2020, as per the relevant provisions of Securities and Exchange Board (Listing Obligations and Disclosures Requirements) Regulation, 2015 [SEBI (LODR) Regulations, 2015].

The compliance of conditions of corporate governance is the responsibility of the Company's management. My examination was limited to the procedures and implementation adopted by the Company for ensuring compliance conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In my opinion and to the best of our information and according to the explanations given to me, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in Chapter IV of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 pursuant to Listing Agreement of the said Company with stock exchange(s).

I state that no investor grievance is pending for a period exceeding one month against the Company as per the records maintained by the Shareholders' grievance Committee.

I further state that such compliance is neither an assurance as to future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Certification under Regulation 17(8) of the SEBI Listing Obligations and Disclosure Requirements) Regulations, 2015

To,
The Board of Directors
Nagreeka Capital & Infrastructure Limited
18, R.N. Mukherjee Road,
Kolkata – 700 001

We, Sunil Ishwarlal Patwari, Managing Director and Sanjeev Kumar Agarwal, Chief Financial Officer of the Company hereby certify that:

- A. We have reviewed the financial statements and cash flow statement for the year ended March 31, 2020 and that to the best of our knowledge and belief:
1. These statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;
 2. These statements together present a true and fair view of the Company's affairs and are in compliance with existing Accounting Standards, applicable laws and regulations.
- B. To the best of our knowledge and belief, no transactions entered into by the Company during the year ended March 31, 2020 are fraudulent, illegal or violative of the Company's Code of Conduct.
- C. We accept responsibility for establishing and maintaining internal controls for financial reporting and we have evaluated the effectiveness of internal control systems of the Company pertaining to financial reporting and we have disclosed to the auditors and the audit committee, deficiencies in the design or operation of such internal controls, if any, of which we are aware and the steps have been taken to rectify these deficiencies.
- D. We have indicated to the Auditors and Audit Committee that there are no:
1. Significant changes in internal control over financial reporting during the year;
 2. Significant changes in accounting policies during the year requiring disclosure in the notes to the financial statements; and
 3. Instances of significant fraud of which we have become aware and the involvement therein, if any, of the management or any employee having a significant role in the Company's internal control system over financial reporting.

SECRETARIAL AUDIT REPORT

[Pursuant to section 204(1) of the Companies Act, 2013 and rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

FOR THE FINANCIAL YEAR ENDED 31 MARCH 2020

To,
The Members,
Nagreeka Capital & Infrastructure Limited
18, R. N. Mukherjee Road
3rdFloor, Kolkata-700001

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Nagreeka Capital & Infrastructure Limited (CIN : L65999WB1994PLC065725)(hereinafter called 'the Company'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on my verification of the Company books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, the explanations and clarifications given to us and the representations made by the Management, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2020, generally complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31 March, 2020 according to the provisions of:

- I. The Companies Act, 2013 (the Act) and the rules made there-under;
- II. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there-under;
- III. The Depositories Act, 1996 and the Regulations and Bye-laws framed there-under;
- IV. Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings (**Not applicable to the Company during Audit period**).
- V. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'): —
 - a. The Securities and Exchange Board of India(Listing Obligations and Disclosure Requirements) Regulations, 2015,
 - b. The Securities and Exchange Board of India(Substantial Acquisition of Shares and Takeovers)Regulations, 2011;
 - c. The Securities and Exchange Board of India(Prohibition of Insider Trading) Regulations, 2015;
 - d. The Securities and Exchange Board of India(Issue of Capital and Disclosure Requirements)Regulations, 2009 ; (Not applicable to the Company during the Audit period)

- e. The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;(Not applicable to the Company during the Audit period)
 - f. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; (Not applicable to the Company during the Audit period)
 - g. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; (Not applicable to the Company during the audit period).
 - h. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; (Not applicable to the Company during the audit period) and
 - i. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; (Not applicable to the Company during the audit period)
- VI. Other laws, including the laws relating to Non Banking Financial Companies to the extent applicable to the Company as per the representations made by the Company.

I have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards issued by The Institute of Company Secretaries of India.
- ii. The SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 entered into by the Company with BSE Limited and NSE Limited.

During the period under review, the Company has complied with the mostly provisions of the Act, Rules, Regulations, Guidelines, Standards etc.

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

The minutes of the Board Meetings have not identified any dissent by members of the Board; hence we have no reason to believe that the decisions by the Board were not approved by all the directors present.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period no events/actions have taken place, having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines and standards.

This report is to be read with our letter of even date which is annexed as **Annexure A** and forms an integral part of this report.

Annexure A'

To,
The Members,
Nagreeka Capital & Infrastructure Limited
18, R. N. Mukherjee Road
3rdFloor, Kolkata-700001

My report of even date is to be read along with this letter.

1. Maintenance of Secretarial record is the responsibility of the management of the Company. My responsibility is to express an opinion on these secretarial records based on my audit.
2. I have followed the audit practices and process as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in Secretarial records. I believe that the process and practices, I followed provide a reasonable basis of my opinion.
3. I have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company.
4. Where ever required, I have obtained the Management representation about the Compliance of laws, rules and regulations and happening of events etc.
5. The Compliance of the provisions of Corporate and other applicable laws, rules, regulations and standards is the responsibility of management. My examination was limited to the verification of procedure on test basis.
6. The Secretarial Audit report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

**INDEPENDENT AUDITOR’S REPORT
TO THE MEMBERS OF NAGREEKA CAPITAL & INFRASTRUCTURE LIMITED
Report on the Audit of the Standalone Financial Statements**

Opinion

We have audited the accompanying standalone financial statements of Nagreeka Capital & Infrastructure Limited (“the Company”), which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, the loss and total comprehensive loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor’s Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Emphasis of Matter

Note no 38(d) to the standalone financial statements which explains the uncertainties and management’s assessment of the financial impact due to the lock-down and other restrictions and conditions related to the COVID-19 pandemic situation, for which a definitive assessment of the impact in subsequent period is highly dependent upon circumstances they evolve.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter (KAM)	Auditor’s Response
1.	<p><u>Transition to Ind AS</u> In accordance with the roadmap for implementation of Ind AS for non banking financial companies, as announced by the Ministry of Corporate Affairs, the Company has adopted Ind AS from April 1, 2019 with an effective date of April 1,</p>	<p>Our audit procedure includes:</p> <ul style="list-style-type: none"> • Read the Ind AS impact assessment performed by the management to identify areas to be impacted on account of Ind AS transition. • Understood the financial statement closure process established by the Company for transition

	<p>2018 for such transition. For periods upto and including the year ended March 31, 2019, the Company had prepared and presented its financial statements in accordance with the erstwhile generally accepted accounting principles in India (Indian GAAP). In order to give effect of the transition to Ind AS these financial statements for the year ended March 31, 2020, together with the comparative financial information for the previous year ended March 31, 2019 and the transition date balance sheet as at April 1, 2018 have been prepared under Ind AS. The transition has involved significant change in the Company's policies and processes relating to financial reporting, including generation of reliable and supportable information. In view of the complexity arising from implementing the principles of Ind AS at the transition date, which could result in a misstatement in these Ind AS financial statements, this has been an area of key focus in our audit</p>	<p>to Ind AS.</p> <ul style="list-style-type: none"> • Read changes made to the accounting policies in light of the requirements of the new framework. • Assessed the judgement exercised by the management in applying the first-time adoption principles of Ind AS 101 especially in respect of fair valuation of assets and liabilities existing as at transition date. • Assessed the judgement applied by the Company in determining its business model for classification of financial assets. • Tested the accounting adjustments posted as at the transition date and in respect of the previous year to convert the financial information reported under erstwhile Indian GAAP to Ind AS. • Assessed disclosures included in the Ind AS financial statements in accordance with the requirements of Ind AS 101, with respect to the previous periods presented.
<p>2.</p>	<p><u>Impairment loss allowance of loans and advances</u> Impairment loss allowance of loans and advances ("Impairment loss allowance") is a key audit matter as the Company has significant credit risk exposure. The value of loans and advances on the balance sheet is significant and there is a high degree of complexity and judgment involved for the Company in estimating individual and collective credit impairment provisions and write-offs against these loans. The Company's model to calculate expected credit loss ("ECL") is inherently complex and judgment is applied in determining the three-stage impairment model ("ECL Model"), including the selection and input of forward-looking information. ECL provision calculations require the use of large volumes of data. The completeness and reliability of data can significantly impact the accuracy of the modelled impairment provisions. The accuracy of data flows and the implementation of related controls are critical for the integrity of the estimated impairment provisions.</p>	<p>We started our audit procedures with the understanding of the internal control environment related to Impairment loss allowance. Our procedures over internal controls focused on recognition and measurement of impairment loss allowance. We assessed the design and tested the operating effectiveness of the selected key controls implemented by the Company. We also assessed whether the impairment methodology used by the Company is in line with the requirements of Ind AS 109, "Financial instruments". More particularly, we assessed the approach of the Company regarding the definition of default, Probability of Default, Loss Given Default and incorporation of forward-looking information for the calculation of ECL. For loans and advances which are assessed for impairment on a portfolio basis, we performed particularly the following procedures:</p> <ul style="list-style-type: none"> • tested the reliability of key data inputs and related management controls; • checked the stage classification as at the balance sheet date as per definition of default; • validated the ECL model and calculation by involving our Information Technology Expert; • calculated the ECL provision manually for a selected sample; and

		<ul style="list-style-type: none"> assessed the assumptions made by the Company in making accelerated provision, considering forward looking information and based on the status of a particular industry as on the reporting date. <p>For loans and advances which are written off during the year under audit, we read and understood the methodology and policy laid down and implemented by the Company in this regard along with its compliance on sample basis.</p>
--	--	--

Information Other than the Standalone Financial Statements and Auditor’s Report Thereon

The Company’s Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Analysis, Board’s Report including Annexures to Board’s Report, Corporate Governance and Shareholder’s Information, but does not include the standalone financial statements and our auditor’s report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged With Governance for the Standalone Financial Statement

The Company’s Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, Board of Directors is responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company’s financial reporting process.

Auditor’s Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The company has disclosed the impact of pending litigations on its financial position in its financial statement as stated in Note -31 of the financial statement
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts, which were required to be transferred, to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure - A to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Nagreeka Capital & Infrastructure Limited ("the Company") as of March 31, 2020 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3)

provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure - B to the Auditors' Report

The Annexure referred to in Independent Auditors' Report to the members of the Company on the standalone Ind AS financial statements for the period ended March 31, 2020, we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of the fixed assets;
 - (b) The fixed assets were physically verified during the year under audit by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on the such verification;
 - (c) As per information and explanation given to us by the management, and the records verified by us and based on the examination of the registered sale deed / lease deed provided to us, we report that all the immovable properties are held in the name of the Company.
- (ii) As explained to us, the inventories consisting of stock and securities in physical form otherwise than in physical form, have been physically verified by the Management during the year at reasonable intervals, and no material discrepancies were noticed on physical verification.
- (iii) The Company had not granted any loans, secured or unsecured to companies, firms, LLP's or other parties covered in the register maintained under Section 189 of the Act
- (iv) In our opinion and according to the information and explanation given to us, the Company does not have any transactions to which provisions of section 185 apply. The Company has complied with the provisions of Section 186 of the Act, with respect to the loans, investments, guarantees and security.
- (v) The Company has not accepted any deposit from the public covered under Section 73 to 76 of the Companies Act, 2013. Therefore, the provisions of paragraph 3(v) of the Order is not applicable to the Company.
- (vi) Being a Non-Banking Financial Company, the provisions of paragraph 3(vi) of the Order is not applicable to the Company.
- (vii) (a) According to the information and explanation given to us and on the basis of examination of the records of the Company, amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including provident fund, employees' state insurance, income-tax, Goods and Service Tax, cess and other material statutory dues have regularly deposited during the year by the Company with the appropriate authorities. As explained to us, the company did not have any dues on account of employees' state insurance and duty of excise.
According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees' state insurance, income tax, sales-tax, service tax, Goods and Service Tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues were in arrears as at March 31, 2020 for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, there are no material dues of customs service tax, Goods and Service Tax, sales tax, duty of excise and value added tax which have not been deposited with the appropriate authorities on account of any dispute. However, according to the information and explanations given to us the following dues of income tax have not been deposited by the Company on account of disputes:

Name of Statute	Nature of Dues	Amount (Rs in lacs)	Period to which amount relates	Forum where dispute is Pending
Income tax Act, 1961	Income Tax	0.10	AY 2010-11	High Court
Income tax Act, 1961	Income Tax	0.39	AY 2011-12	High Court
Income tax Act, 1961	Income Tax	2.12	AY 2012-13	CIT, Kolkata
Income tax Act, 1961	Income Tax	189.40	AY 2013-14	CIT, Kolkata
Income tax Act, 1961	Income Tax	7.27	AY 2014-15	CIT, Kolkata

- (viii) In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of its dues to the financial institutions. The Company did not have any outstanding dues to any banks, government or debenture holders during the year.
- (ix) According to information and explanation given to us, the Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) and term loans during the year ended March 31, 2020. Accordingly paragraph 3(ix) of the Order is not applicable.
- (x) Based on the audit procedures performed and the information and explanations given to us, we report that no material fraud on or by the Company has been noticed or reported during the period, nor have we been informed of such case by the management;
- (xi) According to information and explanation given to us, the Company has paid or provided managerial remuneration in accordance with the provisions of section 197 read with Schedule V to the Act.
- (xii) In our opinion and according to the information and explanation given to us, the Company is not a Nidhi Company and hence the paragraph 3(xii) is not applicable;
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with section 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable Indian accounting standards
- (xiv) According to information and explanation given to us the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the period under review;
- (xv) According to information and explanation given to us, the Company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly the paragraph 3(xv) is not applicable the Company;
- (xvi) In our opinion and on the basis of information and explanation given to us by the management, the Company is required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 and the company has obtained the necessary registration.

Description of reserves in statement of changes in equity

i) General Reserve:

General reserve is created and utilised in compliance with the provisions of the Act.

ii) Retained Earnings:

Retained earnings represents accumulated profits earned by the company and remaining undistributed as on date.

iii) Capital Reserve

Capital Reserve created pursuant to the demerger of the Nagreeka Exports Ltd, it's a free reserve hence will be used as per provision of the act.

iv) Security Premium

This reserve is used to record the premium on issue of shares. The reserve is available for utilisation in accordance with the provisions of the Act.

v) Statutory Reserve as per RBI Guidelines for NBFC

Statutory Reserve represent reserve created wherein sum not less than twenty percent of its net profit is being transferred to the reserve.

vi) Other Comprehensive Income:

The Company has elected to recognise changes in the fair value of certain investments in equity instruments through other comprehensive income. These changes are accumulated within the FVTOCI equity investments reserve. The Company transfers amounts from this reserve to retained earnings when the relevant equity securities are derecognised.

As per our separate report attached.

Notes to Financial Statements for the year ended 31st March 2020

1(a). COMPANY OVERVIEW:

The Company was incorporated on 31st October, 1994 under the laws of republic of India and has its registered office at Kolkata, West Bengal and its shares are publicly traded on the Bombay Stock Exchange(BSE) and National Stock Exchange (NSE) in India. The Company is engaged in the business of trading in shares and securities, derivatives etc. The Company obtained permission from the Reserve Bank of India for carrying on the business of Non-Banking Financial Institutions without accepting deposit in September 2008 vide Regn No. N.05.06774. The Company is presently classified as Investment Company. The financial statement (hereinafter referred to as “Financial Statements”) of the Company for the year ended 31 March 2020 were authorised for issue by the Board of Directors at the meeting held on 31 July 2020.

1(b). BASIS OF PREPERATION OF FINANCIAL STATEMENT:

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and notified under section 133 of the Companies Act, 2013 (the Act) along with other relevant provisions of the Act and the Master Direction – Non-Banking Financial Company (Reserve Bank) Directions, 2016 (‘the NBFC Master Directions’) issued by RBI.

For all periods up to and including the year ended 31 March 2019, the Company had prepared its financial statements in accordance with accounting standards notified under Section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2016 and the Companies (Accounting Standards) Amendment Rules, 2016 and the NBFC Master Directions (hereinafter referred as ‘Previous GAAP’). These financial statements for the year ended 31 March 2020 are the first the Company has prepared in accordance with Ind AS. The Company has applied Ind AS 101 ‘First-time Adoption of Indian Accounting Standards’, for transition from previous GAAP to Ind AS.

The accounting policies are applied consistently to all the periods presented in the financial statements, including the preparation of the opening Ind AS Balance Sheet as at 1 April 2018 being the date of transition to Ind AS.

These financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies stated out below.

The Financial statements have been prepared on a going concern basis. The Company presents its balance sheet in order of Liquidity.

An explanation of how transition to Ind AS has affected the previously reported financial position, financial performance and cash flows of the Company is provided in note no. 49

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

Fair value for measurement and/ or disclosures in these financial statements is determined on such a basis, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 – Inventories or value in use in Ind AS 36 – Impairment of Assets.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

2. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES :

2.1) Statement of compliance

The financial statements have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015.

2.2) Property, Plant and equipment

Property, Plant and equipments are stated at cost less accumulated depreciation and impairment loss, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

On transition to IND AS, the company has elected to continue with the carrying value of all its property plant & equipment recognised as at 1 April 2018 measured as per previous GAAP and use that carrying value as deemed cost of property, plant and equipment.

2.3) Capital Work in Progress

All pre-operative expenses incurred on Capital Work in Progress allocated to related Property, Plant and equipments on Pro-rata Basis.

2.4) Depreciation and amortisation of property, plant and equipment

- i) Depreciable amount for property, plant and equipment is the cost of an asset, or other amount substituted for cost, less its estimated residual value.
- ii) Depreciation on fixed assets is provided on depreciable value of assets using straight-line method on the basis of useful life specified in Schedule II to the Companies Act, 2013.

2.5) Derecognition of property, plant and equipment

The carrying amount of an item of property, plant and equipment / intangibles is derecognised on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the derecognition of an item of property, plant and equipment / intangibles is measured as the difference between the net disposal in proceeds and the carrying amount of the item and is recognised in the statement of profit and loss when the item is derecognised.

Notes to Financial Statements for the year ended 31st March 2020

2.6) Cash and cash equivalents

(i) Cash and cash equivalents in the balance sheet comprise cash at bank and on hand and short-term deposit with original maturity upto three months, which are subject to insignificant risk of changes in value.

(ii) For the purpose of presentation in the statement of cash flows, cash and cash equivalents consists of cash and short-term deposit, as defined as they are considered as integral part of company's cash management.

2.7) Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit and loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. The transaction costs directly attributable to the acquisition of financial assets and financial liabilities at fair value through profit and loss are immediately recognised in the statement of profit and loss.

Effective interest method

The effective interest method is a method of calculating the amortised cost of a financial instrument and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period.

i) Financial assets

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets measured at fair value

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Company in respect of equity investments (other than in subsidiaries, associates and joint ventures) which are not held for trading has made an irrevocable election to present in other comprehensive income subsequent changes in the fair value of such equity instruments. Such an election is made by the Company on an instrument by instrument basis at the time of initial recognition of such equity investments.

Financial asset not measured at amortised cost or at fair value through other comprehensive income is carried at fair value through the statement of profit and loss.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets:

- Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits and trade receivables
- Financial assets that are debt instruments and are measured as at FVTOCI
- Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, the Company reverts to recognising impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date. ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cashflows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/expense in the statement of profit and loss. This amount is reflected under the head 'other expenses' in the statement of profit and loss. The balance sheet presentation for various financial instruments is described below:

Notes to Financial Statements for the year ended 31st March 2020

Financial assets measured as at amortised cost: ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

Debt instruments measured at FVTOCI: Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value. Rather, ECL amount is presented as 'accumulated impairment amount' in the OCI.

For assessing increase in credit risk and impairment loss, the Company combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

The Company does not have any purchased or originated credit-impaired (POCI) financial assets, i.e., financial assets which are credit impaired on purchase/origination.

Derecognition of financial assets

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

ii) Financial liabilities and equity instruments

Classification as debt or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Financial Liabilities

Trade and other payables are initially measured at fair value, net of transaction costs, and are subsequently measured at amortised cost, using the effective interest rate method where the time value of money is significant.

Interest bearing bank loans, overdrafts and issued debt are initially measured at fair value and are subsequently measured at amortised cost using the effective interest rate method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in the statement of profit and loss.

Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or they expire.

2.8) Cash Flow

Cash Flows are reported using Indirect Method, where by profit / (Loss) before tax is adjusted for the effects of transaction of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flow from operating, investing and financing activities of the company is segregated based on the available information.

2.9) Valuation of Inventories

Finished goods :

ii) **Trading goods(shares & Securities)** : At Cost or Net Realisable Value whichever is lower (Cost is computed using " Specific Identification Method").

Notes to Financial Statements for the year ended 31st March 2020

2.10) Revenue Recognition

The Companies (Indian Accounting Standards) Amendment Rules, 2018 issued by the Ministry of Corporate Affairs (MCA) notified Ind AS 115 "Revenue from Contracts with Customers" related to revenue recognition which replaces all existing revenue recognition standards and provide a single, comprehensive model for all contracts with customers. The revised standard contains principles to determine the measurement of revenue and timing of when it is recognized. The amendment also requires additional disclosure about the nature, amount, timing and uncertainty of revenue and cash flows arising from customer contracts, including significant judgments and changes in those judgments as well as assets recognized from costs incurred to fulfill these contracts.

A. Revenue

Revenue is measured at the fair value of consideration received or receivable. Revenue is recognised only when it can be reliably measured and it is probable that future economic benefits will flow to the Company.

(i) Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

(ii) Dividend income is recognised when the Company's right to receive dividend is established.

(iii) Rental Income is recognised when it is earned and no significant uncertainty exists as to its realisation or collection.

Transaction price is accounted net of GST. Since GST is not received by the company on its own account, rather, it is collected by the Company on behalf of the government. Accordingly, it is excluded from revenue.

2.11) Provision, Contingent Liabilities & Contingent Assets

Provision involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities are not recognised but are disclosed in the notes. Contingent assets are neither recognised nor disclosed in the financial statement.

2.12) Retirement Benefits To Employees

Gratuity:

Defined benefit plans, actuarial valuations are carried out at each balance sheet date using the Projected Unit Credit Method. All such plans are unfunded.

All expenses represented by current service cost, past service cost, if any, and net interest on the defined benefit liability/ (asset) are recognized in the Statement of Profit and Loss. Remeasurements of the net defined benefit liability/ (asset) comprising actuarial gains and losses (excluding interest on the net defined benefit liability/ (asset)) are recognised in Other Comprehensive Income (OCI). Such remeasurements are not reclassified to the statement of profit and loss, in the subsequent periods.

2.13) Borrowing Costs

Borrowings costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use, are added to the cost of those assets, until such time as the assets are substantially ready for the intended use.

2.14) Provision For Current And Deferred Tax

(i) Current tax

Current tax is the amount of income taxes payable in respect of taxable profit for a period. Current tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted at the balance sheet date. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate. Current tax is recognized in the statement of profit and loss except to the extent that the tax relates to items recognized directly in other comprehensive income or directly in equity.

(ii) Deferred tax

Deferred tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements except when the deferred tax arises from the initial recognition of an asset or liability that effects neither accounting nor taxable profit or loss at the time of transition. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized. Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted at the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

(iii) Presentation of current and deferred tax

Current and deferred tax are recognized as income or an expense in the statement of profit and loss, except to the extent they relate to items that are recognized in other comprehensive income, in which case, the current and deferred tax income / expense are recognised in other comprehensive income.

(iv) Minimum Alternate Tax (MAT)

Minimum Alternate Tax (MAT) paid in accordance with tax laws, which give rise to future economic benefits in the form of adjustment of future tax liability, is recognised as an asset only when, based on convincing evidence, it is probable that the future economic benefits associated with it will flow to the Company and the assets can be measured reliably.

2.15) Earnings per share

Basic earnings per share is computed and disclosed using the weighted average number of equity shares outstanding during the period. Dilutive earnings per share is computed and disclosed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the period, except when the results would be anti-dilutive.

2.16) Dividend

Provision is made for the amount of any dividend declared on or before the end of the reporting period but remaining undistributed at the end of the reporting period, where the same has been appropriately authorised and is no longer at the discretion of the entity.

Notes to Financial Statements for the year ended 31st March 2020

2.17) Contributed equity

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

2.18) Exceptional items

Certain occasions, the size, type, or incidences of the item of income or expenses pertaining to the ordinary activities of the Company is such that its disclosure improves the understanding of the performance of the Company, such income or expenses are classified as an exceptional item and accordingly, disclosed in the financial statements. It includes provision against Standard Assets which is created as per RBI guideline and disclosed under statement of Profit & Loss.

2.19) Provisions, contingent liabilities and contingent assets

The Company recognizes provisions when a present obligation (legal or constructive) as a result of a past event exists and it is probable that an outflow of resources embodying economic benefits will be required to settle such obligation and the amount of such obligation can be reliably estimated.

If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

Contingent assets are not recognised in the financial statements, however they are disclosed where the inflow of economic benefits is probable. When the realisation of income is virtually certain, then the related asset is no longer a contingent asset and is recognised as an asset.

2.20) Critical accounting judgment and estimates

The preparation of financial statements requires management to exercise judgment in applying the Company's accounting policies. It also requires the use of estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses and the accompanying disclosures including disclosure of contingent liabilities. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis, with revisions recognised in the period in which the estimates are revised and in any future periods affected.

(i) Contingencies

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Potential liabilities that have a low probability of crystallising or are very difficult to quantify reliably, are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not provided for in the financial statements. There can be no assurance regarding the final outcome of these legal proceedings.

(ii) Useful lives and residual values

The Company reviews the useful lives and residual values of property, plant and equipment and intangible assets at each financial year end.

(iii) Impairment testing

Judgment is also required in evaluating the likelihood of collection of customer debt after revenue has been recognised. This evaluation requires estimates to be made, including the level of provision to be made for amounts with uncertain recovery profiles. Provisions are based on historical trends in the percentage of debts which are not recovered, or on more detailed reviews of individually significant balances.

Determining whether the carrying amount of these assets has any indication of impairment also requires judgment. If an indication of impairment is identified, further judgment is required to assess whether the carrying amount can be supported by the net present value of future cash flows forecast to be derived from the asset. This forecast involves cash flow projections and selecting the appropriate discount rate.

(iv) Tax

The Company's tax charge is the sum of the total current and deferred tax charges. The calculation of the Company's total tax charge necessarily involves a degree of estimation and judgment in respect of certain items whose tax treatment cannot be finally determined until resolution has been reached with the relevant tax authority or, as appropriate, through a formal legal process.

Accruals for tax contingencies require management to make judgments and estimates in relation to tax related issues and exposures.

The recognition of deferred tax assets is based upon whether it is more likely than not that sufficient and suitable taxable profits will be available in the future against which the reversal of temporary differences can be deducted. Where the temporary differences are related to losses, the availability of the losses to offset against forecast taxable profits is also considered. Recognition therefore involves judgment regarding the future financial performance of the particular legal entity or tax Company in which the deferred tax asset has been recognized.

(v) Employee Benefits

The present value of the defined benefit obligations and long term employee benefits depends on a number of factors that are determined on an actuarial basis using a number of assumptions. The assumptions used in determining the net cost (income) include the discount rate. Any changes in these assumptions will impact the carrying amount of defined benefit obligations.

The Company determines the appropriate discount rate at the end of each year. This is the interest rate that should be used to determine the present value of estimated future cash outflows expected to be required to settle the obligations. In determining the appropriate discount rate, the Company considers the interest rates of Government securities that have terms to maturity approximating the terms of the related defined benefit obligation. Other key assumptions for obligations are based in part on current market conditions.

vi) Estimation uncertainty relating to the global health pandemic on COVID-19

The Company has considered internal and external information up to the date of approval of financial statements. In assessing the recoverability of property plant and equipments, receivables, cash and cash equivalent and investments. The Company has performed sensitivity analysis on the assumptions used and based on current indicators of future economic conditions; the Company expects to recover the carrying amount of these assets. The Company has concluded that the impact of COVID – 19 is not material based on these estimates. The impact of the global health pandemic may be different from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes to future economic conditions.

Notes to Financial Statements for the year ended 31st March 2020

3.1. Cash and Cash Equivalents

(Amount in Rs.)

	As at 31st March 2020	As at 31st March 2019	As at 1st April 2018
Balances with banks:			
Cash on hand	15,56,515	10,80,498	12,11,210
Balance with banks - in current accounts	2,37,670	3,18,578	23,38,867
Total	17,94,185	13,99,076	35,50,077

3.2. Bank Balance Other Than Cash and Cash Equivalents

(Amount in Rs.)

	As at 31st March 2020	As at 31st March 2019	As at 1st April 2018
Bank balance other than cash and cash equivalents	-	-	-
Total	-	-	-

4. Trade receivables (Unsecured)

(Amount in Rs.)

	As at 31st March 2020	As at 31st March 2019	As at 1st April 2018
Considered good	1,04,15,943	2,86,58,852	35,52,463
Doubtful	-	-	-
	1,04,15,943	2,86,58,852	35,52,463
Less: Provision for doubtful receivables	-	-	-
Total	1,04,15,943	2,86,58,852	35,52,463

Ageing of receivables that are post due but not impaired

0-180 days	1,04,15,943	2,86,58,852	35,52,463
>180 days	-	-	-
	1,04,15,943	2,86,58,852	35,52,463

The credit period on sales of securities ranges from 14 to 60 days without security. No interest is charged on trade receivables upto the end of the credit period.

In determining the allowances for doubtful trade receivables, the Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and is adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the receivables that are due and rates used in the provision matrix. There has been no significant change in the credit quality of receivables past due for more than 180 days.

The Company does not generally hold any collateral or other credit enhancements over these balances nor does it have a legal right of offset against any amounts owed by the Company to the counter-party.

In determining the recoverability of a trade receivable, the Company considers any change in the credit quality of the trade receivable from the date credit was initially granted up to the end of the reporting period. The concentration of credit risk is limited due to the fact that the customer base is large and unrelated.

5. Loans (Unsecured)

(Amount in Rs.)

	As at 31st March 2020	As at 31st March 2019	As at 1st April 2018
At amortised cost			
Considered good	2,49,50,997	2,99,38,530	3,57,89,973

Total Assets pledged as security		17,48,66,083	1,00,70,56,169	2,32,60,27,725

35 Defined Benefit Plan - Gratuity

The Gratuity scheme is a final salary defined benefit plan, that provides for lumpsum payment at the time of separation; based on scheme rules the benefits are calculated on the basis of last drawn salary and the period of service at the time of separation and paid as lumpsum. There is a vesting period of 5 years. The defined benefit plan is not funded with any institution like life insurance corporation of India, hence it is regarded as unfunded liability.

Description of Risk Exposures :

Valuations are performed on certain basic set of pre-determined assumptions and other regulatory framework which may vary overtime. Thus, the Company is exposed to various risks in providing the above gratuity benefit which are as follows:

i) **Interest Rates Risk:** The plan exposes the Company to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability (as shown in financial statements).

ii) **Liquidity Risk :** This is the risk that the Company is not able to meet the short-term gratuity payouts. This may arise due to non-availability of enough cash / cash equivalent to meet the liabilities or holding of illiquid assets not being sold in time.

iii) **Salary Escalation Risk :** The present value of the defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.

iv) **Demographic Risk :** The Company has used certain mortality and attrition assumptions in valuation of the liability. The Company is exposed to the risk of actual experience turning out to be worse compared to the assumption.

v) **Regulatory Risk :** Gratuity benefit is paid in accordance with the requirements of the payment of Gratuity Act, 1972 (as amended from time to time). There is a risk of change in regulations requiring higher gratuity payouts (e.g. Increase in the maximum limit on gratuity of Rs. 20,00,000/-).

Notes to Financial Statements for the year ended 31st March 2020

38 Financial Risk Management and Policy

The Company's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk. The Company continues to focus on a system-based approach to business risk management. The Company's financial risk management process seeks to enable the early identification, evaluation and effective management of key risks facing the business. Backed by strong internal control systems, the current Risk Management System rests on policies and procedures issued by appropriate authorities; process of regular reviews / audits to set appropriate risk limits and controls; monitoring of such risks and compliance confirmation for the same. The Company has exposure to the following risks from financial instruments.

- Market Risk
- Credit Risk
- Liquidity Risk
- Other risk related with COVID-19 pandemic

a) Market risk

The Company's business primarily investing in shares, securities and units of Mutual Funds, it exposes it to the risk that the fair value or future cash flows of a financial instrument will fluctuate because of change in share market conditions. The Company closely monitors the changes in market conditions and select the sales strategies to mitigate its exposure to risk.

i) Interest rate risk

Interest rate risk refers to the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The objectives of the Company's interest rate risk management processes are to lessen the impact of adverse interest rate movements on its earnings and cash flows and to minimise counter party risks.

The Company is exposed to interest rate volatilities primarily with respect to its short terms borrowings from financial institution and others. Such volatilities primarily arise due to changes in money supply within the economy and/or liquidity in Non-banking system due to asset/liability mismatch, poor quality assets etc. of Non-banks. The Company manages such risk by operating with Non-banks having superior credit rating in the market as well as financial institutions.

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

	Variable rate borrowings	Increase/ decrease in basis points	Effect on profit before tax	Effect on post-tax equity
(Amount in Rs.)				
31st March, 2018	12,66,23,688

Amount in Rs.		+ 100	1,30,52,685	1,00,66,231
Amount in Rs.		(-) 100	(1,30,52,685)	(1,00,66,231)
31st March, 2020	40,88,93,430			
Amount in Rs.		+ 100	40,88,934	31,53,386
Amount in Rs.		(-) 100	(40,88,934)	(31,53,386)

ii) Price risk

Investments in the mutual fund schemes are measured at fair value. Accordingly, these do not pose any significant price risk.

b) Credit risk

Credit risk is the risk that counterparty will not meet its obligations leading to a financial loss. The Company has its policies to limit its exposure to credit risk arising from outstanding receivables. Management regularly assess the credit quality of its customer's basis which, the terms of payment are decided. Credit limits are set for each customer which are reviewed on periodic intervals.

The risk relating to trade receivables is shown under note no 4.

Loans to Others:

The credit worthiness of the counter party is evaluated by the management on an ongoing basis and is considered to be good.

Investment in mutual funds:

The investment in mutual funds, are entered into with credit worthy fund houses. The credit worthiness of these counter parties are evaluated by the management on an on-going basis and is considered to be good. The Company does not expect any losses from these counter parties.

Cash and Cash equivalents:

Credit risk from balances with banks is managed by the Company in accordance with the company's policy. Investment of surplus funds are made in mainly in mutual funds with good returns and within approved credit ratings.

Unquoted Investments:

The cost of unquoted investments approximate the fair value because there is a range of possible fair value measurements and the cost represents estimate of fair value within that range.

c) Liquidity risk

Liquidity risk is the risks that Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation.

The table below provides details regarding the remaining contractual maturities of significant financial liabilities at the reporting date.

	On Demand	Less than 1 Year	1 to 5 Years	> 5 Years	Total

Notes to Financial Statements for the year ended 31st March 2020
d) Other risk related with COVID-19 pandemic

The outbreak of COVID 19 pandemic across the globe and in India has contributed to a significant impact and volatility in global and Indian financial markets and slowdown in economic activities. On March 24, 2020, the Indian Government announced a strict 21 day lock-down, which has been extended from time to time and which is still continued to be extended with or without relaxations across the country based on severity of the spread at local levels. The impact of COVID-19 pandemic will be long lasting on the business operations of the Company & depend on the future developments, which are unascertainable at this point or time.

39 Financial Instruments

The significant accounting policies, including the criteria for recognition, the basis of measurement and the basis on which income and expenses are recognised, in respect of each class of financial asset, financial liability and equity instrument are disclosed in note 2 (7) to the financial statements.

Total	-	98,71,08,807	-	2,31,98,50,293	-	3,14,87,17,047

Fair value hierarchy:

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at the measurement date;
Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
Level 3 inputs are unobservable inputs for the asset or liability.

The investments included in Level 2 of fair value hierarchy have been valued using quotes available for similar assets and liabilities in the active market. The investments included in Level 3 of fair value hierarchy have been valued using the cost approach to arrive at their fair value. The cost of unquoted investments approximate the fair value because there is a range of possible fair value measurements and the cost represents estimate of fair value within that range.

The following table summarises financial assets and liabilities measured at fair value on a recurring basis and financial assets that are not measured at fair value on a recurring basis (but fair value disclosure are required):

49 First time adoption of Ind AS

These financial statements, for the year ended 31 March 2020, are the first, the Company has prepared in accordance with Ind AS. For the period up to and including the year ended 31 March 2019, the Company prepared its financial statements in accordance with the accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Previous GAAP).

Accordingly, the Company has prepared its financial statements to comply with Ind AS for the year ended 31 March 2020, together with comparative data as at and for the year ended 31 March, 2019, as described in the summary of significant accounting policies. In preparing these financial statements, the Company's opening balance sheet was prepared as at 1st April 2018, the Company's date of transition. These notes explain the principal adjustments made by the Company in restating its Previous GAAP financial statements, including the balance sheet as at 1 April, 2018 and the financial statements as at and for the year ended 31 March 2019.

A. Optional exemptions availed:

Ind AS 101 allows first-time adopters certain exemptions from the retrospective application of certain requirements under Ind AS. The Company has applied the following exemptions:

a) Deemed cost option

IND AS 101 permits a first-time adopter to elect and continue with the carrying value for all its Property, plant and equipment as recognised in the financial statements as at the date of transition to IND AS, measured as per previous GAAP and use that as its deemed cost as at the date of transition

Accordingly, the company has elected to measure all of its property, plant equipment and intangible assets at their previous GAAP carrying value.

B. Exceptions:

The following are the mandatory exceptions have been applied in accordance with Ind AS 101 in preparing financial statements:

a) Estimates

The estimates at 1 April, 2018 and at 31 March, 2019 are consistent with those made for the same dates in accordance with Indian GAAP (after adjustments to reflect any differences, if any, in accounting policies) apart from the following items where application of Previous GAAP did not require estimation:

(i) Impairment of financial assets based on expected credit loss model

The estimates used by the Company to present amounts in accordance with Ind AS reflects conditions as at the transition date and as on 31 March 2019.

(b) Derecognition of financial assets and financial liabilities

The Company has elected to apply the derecognition requirements for financial assets and financial liabilities in Ind AS 109 prospectively for transactions occurring on or after the date of transition to Ind AS.

(c) Classification and measurement of financial assets

IND AS 101 requires an entity to assess classification and measurement of financial assets on the basis of the facts and circumstances that exist at the date of transition to Ind AS. Accordingly, the Company has classified financial assets in accordance with IND AS 109 on the basis of facts and circumstances that exist at the date of transition to Ind AS.

C. Reconciliations between Previous GAAP and Ind AS

The following reconciliations provides the effect of transition to Ind AS from IGAAP in accordance with Ind AS 101

a) Balance Sheet and equity Reconciliation

b) Profit and Loss and Other comprehensive income reconciliation

c) Adjustment to Statement of Cash Flows

d) Total equity reconciliation

e) Total comprehensive income reconciliation

Notes to Financial Statements for the year ended 31st March 2020

a) Effect of Ind AS adoption on Balance Sheet

(Amount in Rs.)

	As at 31st March 2019			As at 1st April 2018		
	Amount As Per Previous GAAP (Reclassified)	Effect of transition to Ind AS	Amount as per Ind AS	Amount As Per Previous GAAP (Reclassified)	Effect of transition to Ind AS	Amount as per Ind AS
I ASSETS						
1. Financial Assets

Cash & Cash Equivalents at the beginning of the year	35,50,077	-	35,50,077
Cash & Cash Equivalents at the end of the year	13,99,076	-	13,99,076

Explanations for reconciliation of cash flow as previously reported under IGAAP to Ind AS

IND AS 101 requires an entity to assess classification and measurement of financial assets on the basis of the facts and circumstances that exist at the date of transition to Ind AS. Accordingly, the Company has classified financial assets in accordance with IND AS 109 on the basis of facts and circumstances that exist at the date of transition to Ind AS.

d) Reconciliations of equity reported under previous GAAP to equity under Ind AS
Reconciliations of total equity as at 31 March 2019 and 1 April 2018
(Amount in Rs.)

	As at 31st March 2019	As at 1st April 2018
Total Equity (shareholder's fund) under previous GAAP	43,11,56,305	82,62,55,555
Dividend on Preference Shares	(2,72,21,918)	-
Other Adjustments	21,09,908	18,40,790
Total Equity under Ind AS	40,60,44,295	82,80,96,345

Notes to Financial Statements for the year ended 31st March 2020

e) Reconciliation of total comprehensive income for the year ended 31 March 2019

(Amount in Rs.)

		As at 31st March 2019
Net profit as per previous Indian GAAP	(I)	(40,43,21,167)
Net (loss)/gain on FVTOCI equity securities		(6,34,88,089)
Dividend on Preference Shares		(1,80,00,000)
Other Adjustments		2,69,118
Profit after tax as per Ind AS		(48,55,40,139)
Other Comprehensive Income		
Net (loss)/gain on FVTOCI equity securities		6,34,88,089
Other Comprehensive income as per Ind AS	(II)	6,34,88,089
Total Comprehensive income as per Ind AS	(I+ II)	(42,20,52,050)

Notes:

i. To comply with the Companies (Accounting Standard) Rules, 2006, certain account balances have been regrouped as per the format prescribed under Division II of Schedule III to the Companies Act, 2013.

ii. Financial liabilities and related transaction costs:

Borrowings and other financial liabilities which were recognized at historical cost under previous GAAP have been recognized at amortised cost under IND AS with the difference been adjusted to opening retained earnings. Under previous GAAP, transaction costs incurred in connection with borrowings were charged to the statement of profit & loss in the year of borrowings. Under IND AS, transaction costs are deducted from the initial recognition amount of the financial liability and charged over the tenure of borrowing using the effective interest method.

iii. Financial assets at amortised cost:

Certain financial assets held on with an objective to collect contractual cash flows in the nature of principal and interest have been recognized at amortised cost on transition date as against historical cost under the previous GAAP with the difference been adjusted to the opening retained earnings.

iv. Deferred tax as per balance sheet approach:

Under previous GAAP, deferred tax was accounted using the income statement approach, on the timing differences between the taxable profit and accounting profits for the period. Under IND AS, deferred tax is recognized following balance sheet approach on the temporary differences between the carrying amount of asset or liability in the balance sheet and its tax base. In addition, various transitional adjustments has also lead to recognition of deferred taxes on new temporary differences.

v. Defined benefit liabilities:

Under IND AS, Remeasurements i.e. actuarial gains and losses and the return on plan assets, excluding amounts included in the net interest expense on the net defined liability, are recognized in other comprehensive income instead of profit or loss in previous GAAP.

vi. Other comprehensive income:

Under IND AS, all items of income and expense recognized in the period should be included in profit or loss for the period, unless a standard requires or permits otherwise. Items of income and expense that are not recognized in profit or loss but are shown in the statement of profit and loss and "other comprehensive income" includes remeasurements of defined benefit plans, and fair value gain or losses on FVTOCI equity instruments. The concept of other comprehensive income did not exist under previous GAAP.

50. Previous year`s figures have been re-grouped and/or re-arranged wherever necessary, to confirm the current year classification. The figures of previous year were audited by a firm of Chartered Accountants other than Das & Prasad.
